AFS transaction products are non-bank check cashing, non-bank money orders and non-bank remittances. AFS credit products are payday loans, pawn shop loans, rent-to-own agreements and refund anticipation loans.

^aHouseholds were not asked whether they used these AFS products in the last 30 days.

Households are identified as unbanked if they answered "no" to the question, "Do you or does anyone in your household currently have a checking or savings account?"

Differences within groups may or may not be statistically significant.

Refer to 2011 FDIC National Survey of Unbanked and Underbanked Households and FDIC Technical Notes for terms, definitions, and methodological notes. Figures do not always reconcile to totals because of rounding. Differences between groups may or may not be statistically significant.
