• Source: 2017 FDIC National Survey of Unbanked and Underbanked Households.

• NA indicates that the sample size is too small to produce a precise estimate.

• - indicates an estimate of zero. The population proportion may be slightly greater than zero.

• Underbanked definition is based on the following AFS: check cashing, money order, remittance, payday loan, rent-to-own service, pawn shop loan, refund anticipation loan, and auto title loan.
